Lab**

**GCC
Tours**

**Scientist
for a Day**

**Summer
Research
Experience**

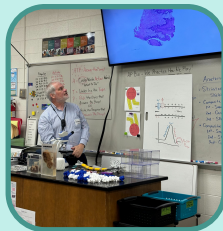

For middle school
students

At your school

Learn about cancer, meet a cancer scientist/doctor, and create a STEAM project; 3 sessions

For middle and high
school students

At your school

Hear how research powers cancer prevention, diagnosis, treatment as well as careers—straight from a GCC scientist

For middle and high
school students

At your school

Gain hands-on cancer research experience—right in your own classroom

For middle and high
school students

At the GCC

Tour cutting-edge facilities and interact with GCC students and scientists

For high school
students

At the GCC

Tour cutting-edge facilities, do a hands-on science experiment in a GCC laboratory, and interact with GCC students and scientists

For high school
students

At the GCC

Spend 6 weeks immersed in research, learning new skills and being mentored by GCC scientists in a hands-on, individual research project
