MEDICAL EDUCATION RESEARCH SHOWCASE

Thursday, December 3, 2026
9 - 10:30 am
Virtual session

Do you have a Med Ed Research Conference Presentation? Bring it home!

You have already done the work; send us the abstract [presented/submitted] !

The Medical Education Research Showcase provides faculty with the opportunity to present their conference scholarship to MCG peers. This event will feature brief, high-impact presentations that highlight research, educational scholarship, and evidence-based practices.

Why Participate?

- Showcase your nationally, regionally, or internationally recognized research
- Promote collaboration and scholarly exchange across departments
- Increase the visibility and impact of your educational scholarship
- Strengthen MCG's culture of educational research and innovation
- Selected submissions can be cited in CVs as a peer reviewed presentation

Submission

MCG faculty are invited to upload a one-slide poster or abstract synopsis at **https://forms.cloud.microsoft/r/W4vtiwL4EN.** Submission will close on Friday, October 23, 2026.

Criteria for Selection

- Recent presentation at an international, national, or regional conference (2025-2026)
- Research focused on medical education

Format for Showcase

- 10 virtual presentations (5 min. talks, and 2 min. Q&A) will be selected
- 1 slide presentation or poster or abstract synopsis (PDF or PowerPoint)
- All selected presentations will be highlighted in the program brochure
