

ACCEPTANCE & WITHDRAWAL PROCEDURES

February 22 – April 30, 2022

Accepted applicants may select the “Plan to Enroll” option in AMCAS via the *Choose Your Medical School Tool*. Accepted applicants should also sign their MCG acceptance agreement and upload it to the online application portal within the stated admission deadlines.

April 15 – April 30, 2022

Accepted applicants with multiple admission offers should narrow their choices to three medical schools, with no limit on the number of alternate list offers they may hold.

May 2 – June 30, 2022

Accepted applicants may select the “Commit to Enroll” option in AMCAS via the *Choose Your Medical School Tool*. This signals that an applicant is committing to MCG and withdrawing applications from other medical schools. Selecting “Commit to Enroll” does not automatically withdraw acceptances from other medical schools.

May 2, 2022

Beginning May 2, 2022, if MCG receives notification from AMCAS that an applicant has committed to enroll at another institution, we will withdraw that applicant from the 2022 entering class.

June 1, 2022

Before June 1, 2022, students accepted from the alternate list will have five business days to affirm their acceptance to MCG and withdraw their acceptance from other medical schools. Students accepted after June 1, must affirm their acceptance and withdraw from other medical schools within 48 hours.

Final Deadline

All accepted students are required to “Commit to Enroll” by **July 5**. Those participating in the pre-matriculation program must commit by **May 16**. If not, MCG may withdraw you from the 2022 entering class.

MCG's policy is aligned with AMCAS Commit to Enroll guidelines. These policies exist to allow accepted students adequate time to finalize their financial aid packages and housing accommodations.
It is your professional responsibility to adhere to these policies.
