Shelf Exam Retake Opt Out Policy

Students may elect to opt out of the retake shelf exam for any clerkship in which they have an “A” after the administration of the first shelf exam. Additionally, students in the PGY-1 Pathway may elect to opt out of the retake exam for any clerkship in which they have a “B” after the administration of the first shelf exam. Regardless of clerkship grade, students are automatically scheduled to take the retake exams unless they choose to opt out.
