AUTHOR CONSENTS

By signing this form, I consent to all of the following:

- 1) I understand that *The Arsenal* is published as an open access publication and may be distributed in any format, including through the internet;
- 2) I understand that *The Arsenal* is preserved and made publicly available through Augusta University's institutional repository, Scholarly Commons;
- 3) I understand that I retain copyright ownership of all the material I create and that I am granting *The Arsenal* and Augusta University first publication rights and a non-exclusive license to distribute and preserve this material for non-commercial educational purposes;
- 4) I acknowledge that this submission has not been previously published or being considered by another journal;
- 5) I attest that this is my original work and that all actions related to this submission are in accordance with the Augusta University Honor Code;
- 6) I acknowledge that articles published in this journal are a public disclosure, which can jeopardize potentially patentable or protectable intellectual property and its commercialization, and that I have contacted the Office of Innovation Commercialization or the Office of Legal Affairs if in doubt;
- 7) I understand that the Editorial Board of *The Arsenal* has the right to the final decision about the articles that are published in the journal and may accept or reject articles at their discretion based upon the goals of the publication.
