Undergraduate Latin Honors

Undergraduate students graduating with honors will be recognized during the commencement ceremony and designated in the commencement program. Your GPA from the previous term will indicate if you will participate in commencement with honors. Qualifying students will be notified via email and may pick up the cords from the Registrar's Office **beginning October 7.**

Review the Graduation with Honors Policy at augusta.edu/graduation/honorspolicy for more information or if you have any questions of your academic standing.

Legacy Graduates

Generations of families have continued Augusta University's rich tradition, continuing our legacy like no other in JagNation. You may qualify as a legacy graduate if your parent, stepparent, or grandparent attended Augusta University or one of our legacy institutions, such as Augusta College. Legacy status is only awarded to those family members who have received a degree from Augusta University or a legacy institution, not to those completing residency.

If you believe you qualify to be included in our legacy graduates for this semester, and did NOT indicate so on your graduation application, please email your family member's name and when/where they graduated from to commencement@augusta.edu by no later than **Friday, October 11.**

Marching Order

Marching Order is the system used to manage commencement operations, including graduate RSVP's, guest ticketing, graduate communications, and grad passes. Graduates **MUST** create an account in Marching Order to RSVP for the ceremony, access their guest tickets, and ensure their name is pronounced and listed correctly for the commencement ceremony.

Students will need to create a Marching Order account with their Augusta University email. Marching Order will open on September 27 and close on November 11. All students are required to RSVP during this registration period for important information about the commencement ceremony, the awarding of your degree, and diploma delivery. Registration information will be sent to graduates on September 27. Be sure to check your junk/spam folders for any communication sent via Marching Order.

Parking

The convention center's address is 901 Reynolds Street, Augusta, Georgia. Commencement guests are encouraged to park in the Reynolds Street parking deck.

Commencement participants: You will park at the Georgia Cyber Center's parking deck (100 Grace Hopper Lane, Augusta). A parking attendant will be present to let you in the deck at no charge. If you decide to carpool with family to commencement, this will not impact your ability to park at this deck. Walk over to the Marriott from this deck to check-in for commencement.

Grad Passes and Name Cards

Graduates will need to access their Grad Pass, your ticket into commencement, through their Marching Order account. This is a necessity for you to check in to commencement. Directions of how to access your Grad Pass are included in your Marching Order account.

Name cards will be printed for graduates to use during commencement. Name cards are what students will need to cross the stage to have their name announced and to receive their diploma.

Guest Tickets

Tickets will be required for all guests attending our commencement ceremonies, including children and infants over the age of one. The number of tickets each graduate will receive will be decided upon at a later date. Students will be able to access and send tickets directly to their guests through their Marching Order account.

All ticket information will be announced through Augusta University email for fall graduates and the post-graduation email for summer graduates. Students will be required to use their AU email address and student ID number to log in to the portal once ticketing becomes available.

If we are able to release additional tickets to students once the initial round of tickets is claimed, we will notify graduates via email and/or text message about steps to claim additional tickets. Graduates, please ensure the phone number provided on your graduation application is an active phone number able to receive texts.

Guest seating is general admission for all ceremonies. The doors will open approximately 90 minutes prior to the start of both ceremonies.

Graduate Exit Survey

The Graduation Exit Survey will open later this semester for all summer/fall 2024 graduates. Graduates are expected to complete this survey to share your post-graduation plans with the university. Graduates will receive notice of the survey opening via their Augusta University email account or the post-graduation email provided on your graduation application.
