Please note: Job Classifications listed under the General Use category are available for campus-wide usage. Some job classifications are for college/department specific use only and would be listed under the Area of Primary Responsibility. In certain situations, job classifications that are normally limited to an Area of Primary Responsibility may be requested by a department outside of the primary one. In such a situation, the requesting department is required to coordinate with the Area of Primary Responsibility and Human Resources when developing the job content and official position classification. Review/Approval from the Area of Primary Responsibility will be required. Human Resources reserves the right to designate titles to be within a specific college/department.
