# Value of OneUSG Connect

Get STARTED

Easy to use
Automates current manual human resources and benefits administrative processes.

Use on mobile devices
Allows employees to record and submit time, access, review and update personal information including direct deposit, pay stubs and benefits on the go – anytime, anywhere.

Centralized support
Faster and more efficient responses to handle issues or answer questions through OneUSG Connect Support

Systemwide savings
By using the same software, standardizing policies and centralizing support, there is a reduced net cost to the USG.
