WITHDRAWAL FORM COURSE OR UNIVERSITY

For your convenience, we accept forms via email at records@augusta.edu. We encourage you to use an electronic signature to help expedite the process. Instructions for signing documents electronically, can be found at https://www.augusta.edu/esignature/.

Adding, Dropping, & Withdrawing Policy: https://www.augusta.edu/compliance/policyinfo/policy/adding-dropping-withdrawing-from-courses-undergraduate-students.pdf

The Withdrawal Form is used to withdraw from a class or all classes at Augusta University. After the registration period has ended, the official withdrawal date is the date the student notifies the Registrar's Office of their intent to withdraw by submitting the completed withdrawal form with all required signatures. Refunds are only processed for full withdrawals from all classes based on refund percentages calculated by the Business Office. Please see "Students Withdrawing from an Institution" at

https://www.augusta.edu/finance/controller/businessoffice/policies-fees.php for additional details.

After the add/drop period has ended, a student may withdraw from a course without penalty up to the date set forth in the Academic Calendar. Following the withdrawal deadline, a student who withdraws will receive a grade of WF (Withdrew Failing) for enrolled courses, except in extraordinary situations approved by the Department Chair or Dean or in cases of medical, hardship, or military withdrawal. WF grades will be treated as F grades for grade point calculations. When the situation falls under the Medical or Hardship withdrawal guidelines, the student must contact the Office of the Dean of Students (706-737-1411, Bellevue Hall) prior to the end of the semester to request such a withdrawal.

Note: As a Title IV recipient, in accordance with Federal regulations, all or a portion of a student's loans or grants may be removed from their account. In the event funds are removed, the student agrees to pay any outstanding charges that result from this federal calculation. According to Augusta University policy, institutional scholarships and grants may be removed thus creating additional charges for which the student is responsible. Furthermore, if there are charges which have been incurred that have not yet posted to the student account, the student understands that it is their responsibility to follow up with the Office of Student Financial Aid regarding financial aid and furthermore that they must pay any balance in full upon withdrawing from Augusta University. Payments may be made through POUNCE or in the Business Office.

Note: Graduate students, withdrawing from all classes, will be withdrawing from the program and university. If you return to the program/university, a Reactivation Form must be submitted. If you remain withdrawn from the program/university for 3 consecutive semesters, you must reapply to the program/university.
